Where timeless cut crystal elegance meets modern silicone ingenuity. These crystal-clear silicone glasses capture the sparkling sophistication of traditional glassware—but with a twist: they're unbreakable, flexible, and oh-so-easy to handle. Perfect for indoor or outdoor entertaining, their cut crystal facets catch the light beautifully, adding a touch of sparkle to any table. Durable, versatile, and deceptively chic, the Bentley Collection brings safety, style, and stackable convenience to every sip.

Serve in style with the Bentley 9 oz glass. Its cut crystal design gleams like glass but is crafted from flexible, shatterproof silicone, making it durable and easy to handle in busy dining environments. The tapered shape stacks neatly for simple storage, and the 9 oz capacity is ideal for juice, iced coffee, whiskey, or any favorite pour. Elegant, practical, and built to last, this drinkware set proves you can have crystal-class looks with silicone-level durability.
