Bake award-winning cakes with our round 3"-deep aluminum cake pans! With diameters ranging from 6" to 14", we have a cake pan size for any sweet occasion. Our cake pans are designed with straight sides, ensuring symmetrical, uniform, and smooth edges that allow for seamless frosting application. With these 14 gauge, 1.5 mm heavy-weight aluminum pans, your customers can enjoy fluffy, evenly-baked cakes that taste just as good as they look!

This round aluminum cake pan with a 10" inside diameter and 3" depth is your secret to consistently dreamy cakes. Made from 14-gauge, 1.5 mm heavyweight aluminum, it heats quickly and evenly for reliable results. The newly enhanced EZ Release clear coating lets cakes lift out effortlessly while making cleanup easier than ever. Straight sides create smooth, symmetrical edges perfect for flawless frosting. Built to resist corrosion and wear, this pan delivers years of dependable performance. It also stacks neatly for storage and is proudly made in the USA. Hand wash only with an aluminum-safe detergent.
