Cu. Ft.: 0.93

Weight: 25 lbs

Bake, serve and display with reliable performance. Made in the USA from 20-gauge aluminum, amNOW Essentials pie pans deliver dependable quality at an affordable price. Ideal for baking golden crusts, serving entrees or presenting signature dishes, these versatile pans stand up to everyday use in busy kitchens. Available in a range of sizes, they combine practical function with lasting value.

This deep dish pan features a 9" top inside diameter and a 10" top outside diameter as well as a depth of 1-1/4" and base diameter of 7-3/4". With its taller sides and aluminum construction, it's great for generous pies, baked specialties or even hearty entrees. Dependable and versatile, it performs beautifully in busy kitchens and casual dining settings. Note: This is sold in a pack of 6.
