8" DIA. X 1-1/8" H

List Price: \$36.60 PK

Pack: 8

Cu. Ft.: 0.67

Weight: 9 lbs

Bake, serve and display with reliable performance. Made in the USA from 20-gauge aluminum, amNOW Essentials pie pans deliver dependable quality at an affordable price. Ideal for baking golden crusts, serving entrees or presenting signature dishes, these versatile pans stand up to everyday use in busy kitchens. Available in a range of sizes, they combine practical function with lasting value.

This pan has a top inside diameter of 7", top outside diameter of 8", bottom inside of 5-1/2" and a depth of 1-1/8". Compact yet durable, it's ideal for individual pies, sides or small entrees. The tapered sides promote neat crusts and easy serving, while the aluminum construction ensures dependable performance. Note: This is sold in a pack of 6.
