Bake, serve and display with reliable performance. Made in the USA from 20-gauge aluminum, amNOW Essentials pie pans deliver dependable quality at an affordable price. Ideal for baking golden crusts, serving entrees or presenting signature dishes, these versatile pans stand up to everyday use in busy kitchens. Available in a range of sizes, they combine practical function with lasting value.

This pan measures 7-7/8" top inside diameter, 9-1/8" top outside diameter, 6-7/8" bottom inside diameter and a 1" depth. Perfect for mid-sized pies or entrees, this pan heats evenly and offers a wide rim for decorative crusts or effortless plating. Its aluminum construction makes it a practical choice for plating and presentation. Note: This is sold in a pack of 6.
