When design, function, and elegance align, you get true synergy. These chafers shine alongside our BuffetBoost Collection, thanks to their flat-bottom construction that maximizes heat transfer and a hinged, tempered glass lid that keeps warmth in and lid clutter out. Add in premium stainless steel construction and timeless finishes, and you've got chafers that are as hardworking as they are elegant.

Bring modern elegance to your buffet with the 6½ QT. Satin Rectangular Synergy Chafer. Its clean satin finish pairs timeless design with everyday functionality. Side handles make transport effortless, while the hydraulic hinge ensures the lid closes smoothly without slamming. The tempered glass lid gives guests a peek inside without letting heat escape, and the flat bottom provides perfect contact with our BuffetBoost Buffet Warmer. Optional food pan available separately for flexible service.
