Built for everyday performance and lasting appeal, these stainless steel crates offer sturdy, versatile solutions for any display or storage need. Perfect for organizing, showcasing, or storing, their durable construction stands up to the demands of busy environments, while the stainless finish ensures quick, easy cleanup.

Bring a little brilliance to the buffet with this hammered stainless steel crate. Measuring 10-1/2" L x 9-1/4" W x 2-1/4" H, it catches and reflects light from every angle, adding instant dimension to your presentation. Designed to pair seamlessly with select BuffetBoost products, it keeps dishes at the perfect temperature from kitchen to service, while the cutout handles make transport effortless and double as access points to BuffetBoost control panels and connections. Use it to organize and showcase food, beverages, or merchandise, or flip it to create a modern riser that adds height and visual interest. Dishwasher safe and built for demanding service, its durable stainless steel construction keeps it radiant service after service.
