The unsung heroes of the back-of-house and the showpieces of the buffet line—our cutting and carving boards are designed to perform wherever the action is. Built with foodservice in mind, they deliver the durability chefs demand and the style operators love to showcase. From everyday prep to elevated presentation, each board balances rugged function with refined design details.

Durable by design, this 24" L x 18" W x 3/4" H black pressed wood carving board unites everyday performance with modern style. A deep juice groove keeps liquids contained, while integrated side handles make lifting and handling effortless. The matte black finish maintains its polished look service after service and provides a striking backdrop under the BuffetBoost?LumaLamp. Fully dishwasher safe for fast, efficient cleanup and reliable use in any setting.
