Culinary Elevation Down to a Fine Art!

The new year is an exciting time at American Metalcraft, as we are introducing our brand new collection for 2019. With an entirely new look, our latest catalog represents embodies the art of culinary creations with the use of our trendy, durable products.

This year, we've added over 300 new items to our catalog assortment. The Isabella Collection, a new line of vintage-inspired dinnerware, is exceptionally stunning and crafted from durable melamine, which effortlessly creates an intimate atmosphere without sacrificing practicality. In addition, some of our highlights include expanded melamine offerings, cool stone and warm wood textures, coffee service with touches of gold, mod looks for the tabletop and oversized drinking vessels. Our contemporary catalog and the items inside are sure to inspire your culinary creations.

See all of this and more at NAFEM 2019 – Booth #2039 or the Catersource Show – Booth #827. If you are not attending the shows, order your 2019 American Metalcraft Product Catalog today by calling (800)333-9133 or visiting www.amnow.com
